**P**robably the oldest family business in the town, Martins of Letchworth is celebrating its 75th Anniversary this month. Famous for its wonderful choice of home furnishings, Martins of Letchworth is the premier one-stop furniture store in North Hertfordshire. Established in 1936, Martins of Letchworth is immensely proud of this amazing heritage. Now in its third generation, the business occupies a series of high profile units on the town's busy Leys Avenue. Martins of Letchworth has an incredible 15,000 sq ft of showroom space, with a vast range of different types of furniture to cover all aspects of your home. This covers the normal furnishings for the bedroom, lounge, dining room, kitchen and the home office, plus rugs and carpets and occasional furniture. The Company also specialises in furniture for people with mobility problems and offers two major brands of lift and

recliner chairs, from Sherborne and Celebrity Motion. These fantastic chairs are available with leather or material covering and have either single or dual motor so that the user can find the best position to relax while reclining. Martins of Letchworth has a vast selection of beds including electric models with or without a massage option and you can choose between memory foam or pocket sprung mattresses or a combination of both. You can choose from all the leading makes such as Myers, Silentnight and Staples. Martins of Letchworth is open seven days a week and offers customers free delivery and free fitting within a 40 mile radius. Take a look at their website to get a feel for the quality and types of all the different furniture that they provide. Get along to Martins of Letchworth soon.
